**DECISION AWARDING DAMAGES<sup>1</sup>**

On August 12, 2022, John Schoonveld filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, et seq.<sup>2</sup> (the “Vaccine Act”). Petitioner filed an amended petition on January 8, 2024. ECF No. 35. Petitioner alleges that he suffered Guillain-Barré Syndrome (“GBS”) that was caused in fact by the influenza vaccine he received on October 19, 2021. Amended Petition at 1, 23. Petitioner also alleges that he received the flu vaccine within the United States, that he suffered the residual effects of his GBS for more than six months, and that neither he nor any other party has filed a civil action or received compensation for his GBS. *Id.* at ¶¶

- a) A lump sum of \$250,106.21 in the form of a check payable to Petitioner; and
- b) A lump sum of \$550.88, representing reimbursement for a Medicaid lien for services rendered to petitioner by the Illinois Department of Healthcare and Family Services, in the form of a check payable jointly to Petitioner and

<sup>3</sup> Usually, a proffer is filed by Respondent if the parties have reached an informal agreement regarding the appropriate amount of compensation to be awarded after an entitlement determination. However, in a minority of cases, the parties may choose to file a joint stipulation instead, representing more of a compromise regarding the compensation to be awarded.

<sup>4</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

OFFICE OF SPECIAL MASTERS**

JOHN SCHOONVELD,

Petitioner,

v.

SECRETARY OF HEALTH AND  
HUMAN SERVICES,

Respondent.

No. 22-897V

ECF

**STIPULATION**

The parties hereby stipulate to the following matters:

1. John Schoonveld, petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of an influenza (“flu”) vaccine, which is a vaccine contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. Petitioner received the flu vaccine on October 19, 2021.<sup>1</sup>
3. The vaccination was administered within the United States.

---

<sup>1</sup> On October 14, 2021, petitioner received a COVID-19 vaccine. Vaccines against COVID-19 are not contained in the Vaccine Injury Table. See 42 U.S.C. § 300aa-14 and 42 C.F.R. § 100.3(a). Pursuant to the declaration issued by the Secretary of Health and Human Services under the Public Readiness and Emergency Preparedness Act (42 U.S.C. §§ 247d-6d, 247d-6e), claims for alleged injuries from COVID-19 countermeasures, including vaccines, may be compensable under the Countermeasures Injury Compensation Program (“CICP”). See 85 Fed. Reg. 15198, 15202 (March 17, 2020).

4. Petitioner developed Guillain-Barré Syndrome (“GBS”) within the time period set forth in the Table following receipt of the flu vaccine and experienced the residual effects of GBS for more than six months.

5. There is not a preponderance of evidence demonstrating that petitioner’s GBS is due to a factor unrelated to vaccination.

6. Petitioner represents that there has been no prior award or settlement of a civil action for damages on petitioner’s behalf as a result of petitioner’s condition.

7. Accordingly, petitioner is entitled to compensation under the terms of the Vaccine Act for his GBS Table injury. Therefore, a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum of \$250,106.21 in the form of a check payable to petitioner; and
- B. A lump sum of \$550.88,<sup>2</sup> representing reimbursement of a Medicaid lien for services rendered to petitioner Illinois Department of Healthcare and Family Services, in the form of a check payable jointly to petitioner and Illinois Department of Healthcare and Family Services:

 Reference No.: 91-019-0305166633  
 P.O. Box 19146  
 Springfield, Illinois 62794-9146

---

<sup>2</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action that the Illinois Department of Healthcare and Family Services may have against any individual as a result of any Medicaid payments made to or on behalf of John Schoonveld as a result of his alleged vaccine-related injury suffered on or about October 19, 2021, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

Petitioner agrees to endorse this check to the Illinois Department of Healthcare and Family Services.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and petitioner's attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in petitioner's individual capacity, and on behalf of petitioner's heirs, executors, administrators, successors or assigns, (a) does forever irrevocably and unconditionally release, acquit, and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses, and all demands of whatever kind or nature) that have been brought, could have been brought, or hereafter could be timely brought in the Court of Federal Claims, under the Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., (i) on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or that may be alleged to have resulted from, the vaccinations administered on October 14, 2021 and October 19, 2021, and (ii) that petitioner has had, now has, or hereafter may have with respect to the injury that gave rise to the petition for vaccine compensation filed on or about August 12, 2022, in the United States Court of Federal Claims as petition No. 22-897V; and (b) waives any and all rights to any compensation that may be available under the Countermeasures Injury Compensation Program (CICP), 42 U.S.C. § 247d-6e (or an action under 42 U.S.C. § 247d-6d(d)), for a claim alleging that a covered countermeasure, including the COVID-19 vaccination administered on October 14, 2021, on its own or in combination with the flu vaccination administered on October 19, 2021, caused or seriously aggravated the injuries that were the subject of the petition for vaccine compensation filed on or about August 12, 2022, in the United States Court of Federal Claims as petition No. 22-897V, including GBS, for which petitioner will receive compensation pursuant to this Stipulation. If petitioner has such a claim currently pending with the CICP, petitioner hereby

withdraws such claim for compensation in the CICP.<sup>3</sup> If no claim for compensation has been filed in the CICP as of the date this Stipulation is filed, petitioner waives the right to file a claim as described in this paragraph for compensation in the CICP.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. The Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's GBS or any other injury or her current condition; however, petitioner has satisfied the Table criteria to establish entitlement to compensation.

---

<sup>3</sup> After entry of judgment reflecting a decision consistent with the terms of this Stipulation, petitioner agrees that respondent will send this Stipulation to the CICP as evidence of petitioner's withdrawal of their CICP claim and waiver of any potential compensation under the CICP.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
